Day 1: none

Day 2:

- Lane 4 concrete has a crack in the entrance (left side) of the obstacle. It has been decided to temporarily continue to play the lane in the situation as it is. During the evening it will be fixed.

- Team Competition will continue until the end today (if light and weather will allow), also in case there is a need to play over 19:00

- Written protest of Italy against a decision of a Referee related to the interpretation of a shot of Alex Lang at R8 L17: Jury has decided to REJECT the Protest because the shot of the player has been interpreted by the referee as a bouble hit of the ball, then it has to be counted as a supplementary shot (here is reported a summary of the explanation)

Day 3:

Due to bad weather conditions forecasted for tomorrow the Jury decided: It will be anticipated to today's afternoon the Matchplay Man Round of 32 participants with the aim to allow tomorrow a faster competition. During the day, the situation will be re-discussed according to fast changing weather forecasts.

Due to persistent bad weather conditions it has been decided to do not play the qualification round of the tomorrow Matchplay. At 16:00 there will be a coach meeting to re-evaluate the situation about the completion of the strokeplay finals

Jury+Referees+Coaches Meeting happened and it has been agreed as follows:

- Strokeplay finals: Concrete Round: canceled both for men and women.

- Matchplay: Lanes to be played for all 32+16 players reduced to 12 (6 on concrete:

2,12,14,15,17,18 and 6 on Miniaturgolf: Looping, Sticks, Kidney, Double Waves, Wedge w/tgt window, Straight lane w/tgt window. Lanes has been decided by the Jury)

Strokeplay medal ceremony will be held tomorrow
